COMMENTS ON EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

MAIL STOP ISSUE FEE

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Applicants note that the Examiner's particular comments regarding the reasons for allowance in the Notice of Allowance contains a typographical error, and instead should read that the reasons for allowance were originally stated in the Office Action mailed January 23, 2004. Moreover, the statement in the Office Action mailed on January 23, 2004 does not accurately reflect the claim language. The statement reads as follows:

Claim 2 differs from the prior art of record by specifically reciting that the slave medium and the master medium are brought into contact with each other, with liquid in an amount of 2 to 2 mg/m² intervening there between.

However, the amount of the liquid in claim 2 is "2 to 20 mg/m²".

Comments on Examiner's Statement of Reasons for Allowance
U.S. Appln. No. 09/994,891

For this and other reasons, Applicant submits that the scope of the claims should be governed by the actual claim language, not by the Examiner's reasons for allowance.

Respectfully submitted,
